

Job description

Trainee Occupational Health Technician

Fusion Occupational Health Limited is a leading provider of health & safety risk management solutions, offering the broadest range of services in the market.

We are currently looking for a Trainee Occupational Health Technician based in Southampton, Swindon, Stoke on Trent, Cambridge and Newcastle Upon Tyne or surrounding areas. **This is a trainee opportunity for a dynamic individual who will be based from home but will work at locations throughout the UK often requiring overnight stays.** The role will involve formal training and practical experience.

Fusion is a Growing company and in return for your effort we will provide you with full training and a career path that is both rewarding and satisfying.

The core purpose of this role is to train to provide occupational health technical support under the supervision of both qualified OH personnel and the leadership team, helping to deliver an efficient and effective occupational health service.

Responsibilities will include: -

The post involves travelling to clients and requires the ability to effectively time manage, prioritise and be adaptable. The main aspects of the post include.

- Lifestyle tests i.e., blood pressure, urinalysis
- Lung Function Test
- Hearing Test
- Skin assessments
- HAVS assessments (questionnaires)
- Venepuncture
- Health and Wellbeing Health Education / Promotion

The role requires testing on the above areas, of which the results will be analysed by a qualified OHA on the Fusion team.

Full in-house training will be provided to ensure competency in delivering the above with regular audits to maintain skill base.

You will be required to travel, possibly throughout the UK and you will have to stay away in hotels as and when required.

Knowledge and Experience Required:

Good standard of general education

- Experience of independent working
- Computer literate to be able to use email, internet, and Office software packages (e.g., word)
- An interest in occupational health and well-being and willingness to learn.

- Good oral and written communication skills with people from a wide variety of backgrounds
- Time management & organisational skills
- Must demonstrate ability to work independently and as part of a team
- Excellent interpersonal skills
- Able to act on own initiative but to realise own limitations
- Able to prioritise and set deadlines
- **Must be able to drive and be prepared to travel widely and daily**

The successful candidate will have: A general interest in all aspects of health, safety, and wellbeing at work

- Experience in working with and communicating with the general public
- Experience of working in a health or social care setting or similar setting
- Have good computer literacy skills including MS office, use of the internet, PowerPoint, and Excel.
- Motivated to learn and participate in the training programmes.

Level of Qualification:

- GCSE English (A – C) or equivalent **GCSE Maths (A-C) or equivalent**
- Full Driving License
